

Hearty Congratulations for being elected as Member of
Governing Council IETE, New Delhi.....!!!

Prof. (Dr.) Nilesh N. Kasat (F-155667)

The youngest Council Member elected in the history of IETE is a graduate Engineer (Electronics & Telecommunication) from Govt. College of Engineering, Amravati, ME (Digital Electronics) & Ph.D. (Electronics & Telecommunication Engineering) from Sant Gadgebaba Amravati University, Amravati. Presently he is working as a Professor in Department of Electronics & Telecommunication Engineering at SIPNA COLLEGE OF ENGINEERING & TECHNOLOGY, AMRAVATI and is having an experience of 20 years. Along with number of publications in National and International journals, he also has patents filed and published under his belt. He is instrumental in Membership Growth, Publications, Student Affairs and conduction of various technical activities. His dedicated, untiring efforts, selfless and invaluable contribution to the service and cause of IETE Amravati Centre brought recognition to the centre across the nation. IETE Amravati Centre has bagged the Best Centre Award twice during his tenure. He was the youngest co-opted member in different committees of IETE HQ. New Delhi, during 2011 to 2015. His areas of interest include Microprocessors, Microcontrollers, Embedded Systems & Parallel Computing. As a council member, his vision is to encourage technological up-gradation by enhancing the skills in view of development of our society as well as nation.
